DESTINATION
EXPERIENCES

ROME

An immersive experience dedicated to the discovery of the life and work of Caravaggio. Divided into small groups, you'll admire some of his best-known masterpieces, revealing surprising details of his turbulent life as you wander among the churches and the streets of the city.

A rare opportunity to look at Caravaggio's art as never before.

A vertical strip of images. The top part shows a red dome with a small arched window. Below it is a stone tower with a balcony. The bottom part shows a view of a city with a harbor and buildings.

PALERMO

The journey will begin with a visit to the Oratory of San Lorenzo and with the story about the famous work of Caravaggio's Nativity, stolen in 1969. The route will continue to discover the followers of Caravaggio and their works, ending in the beautiful Palazzo Asmundo, one of the most eloquent testimonies of the aristocratic world of centuries past.

LA VALLETTA

You will discover the ancient charm of the city, walking through the streets of the historic centre, in the footsteps of the Knights of Malta and their link with Caravaggio. Finally, you can admire La Valletta from afar, embarking on the traditional Maltese boat, the luzzu, to conclude with a lunch in the picturesque Maritime Museum.
